WELCOME TO

CHALLENGE CUP

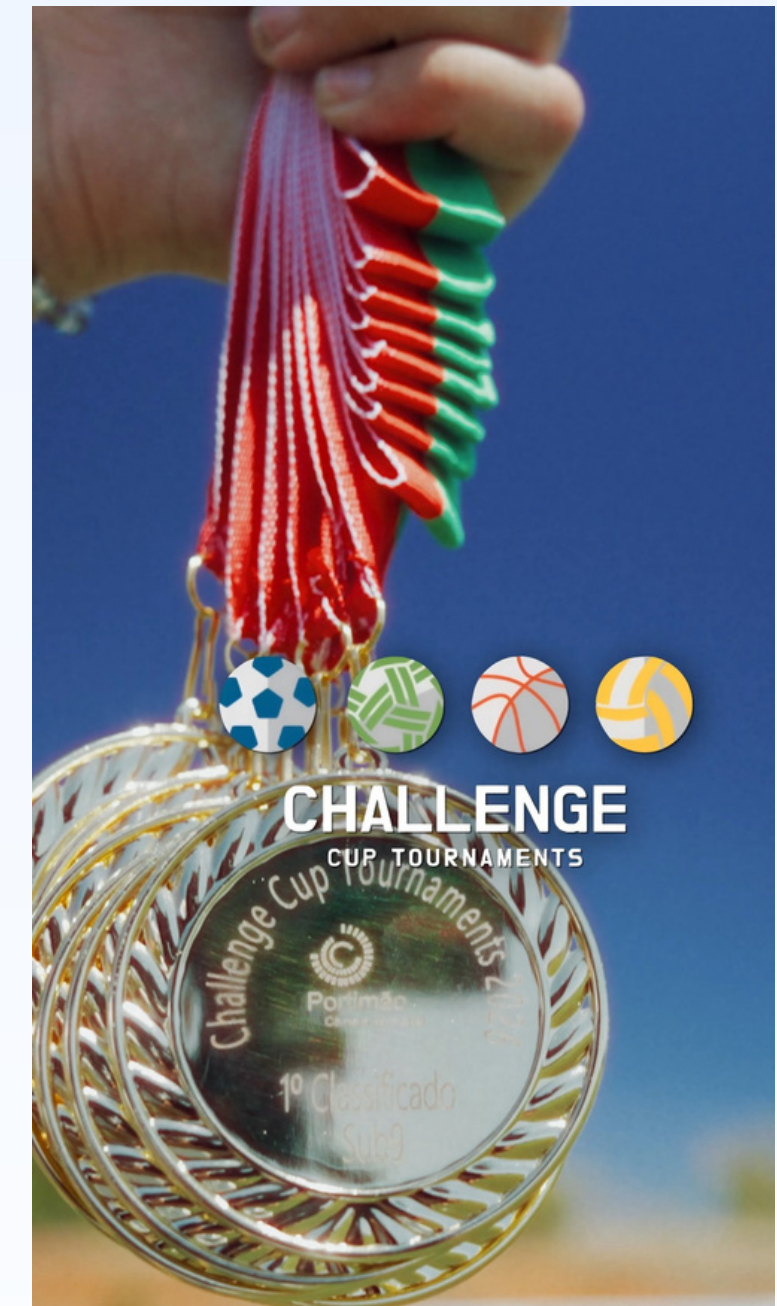

WELCOME

In 2027, the **CHALLENGE CUP PAREDES** returns for its 3rd Easter edition — bigger, more international and more vibrant than ever. For 4 days, Paredes becomes the Portuguese capital of youth football, welcoming players, coaches and families from over 18 countries across various continents.

More than a competition, the **CHALLENGE CUP** is a growth project: a space where children and young people develop as athletes and as people, in a healthy, multicultural and emotional environment. Since 2019, each edition has surpassed the previous — in teams, in countries and in unforgettable memories...
